Start-up Internet Business  
Niche Gastronomy Market in Spain  
Scalable into other regions & countries

This is a fantastic opportunity to invest into an on-line start-up business that is focused on the niche market within the Spanish gastronomy sector. The business has developed a unique online professional network created specifically for all food, drink, leisure, entertainment and event venues.

The business model, which is expandable as required, is designed to develop a community for gastronomy enterprises who can create their own webpage for free in under 5 minutes as well as edit going forward...
