Property Description

The exclusivity of Villa Llebeig makes this villa a home you want to live throughout the year and enjoy the mild temperatures of Residential Resort Cumbre del Sol, on the Costa Blanca.

Its entrance on the upper level leads us to large windows from which we can observe the greatness of the Mediterranean sea and highlights the effect of natural lightning. On the right-hand side we find two spacious bedrooms with each an independent bathroom and with access to a practical terrace where you'll want to see the sunrise every day. The left gives way to the main bedroom, with large dressing room and an en suite bathroom. The master bedroom has got a large private terrace from where to enjoy relax and the beautiful views.
