Property Description

Country house. We present to you this charming country house in Jacarilla, near Orihuela.

This country house welcomes you with warmth and comfort. Step inside and experience the cosy atmosphere the pellet stove has to offer in this spacious living and dining room with open and well-equipped kitchen. This house has 2 bedrooms and 1 bathroom and has another new annex with a bathroom and sauna.

At the front of the house there is a spacious covered terrace and an additional storage room. Enjoy the beautiful views the spacious solarium has to offer.

The property is connected to the electricity grid. For water, it relies on a reservoir. There are plans by the City of Orihuela to provide water mains (these...
