### Property Description

This Stunning 3-bedroom apartment on the ground floor is located in a community built in 2014 with closed common areas, including 4 swimming pools and children's pools and gym. The community offers a mixture of nationalities. The apartment is designed to provide maximum privacy and features a 90-square-meter garden with a main entrance from the common areas, including a large garage area underneath the property, great for 2 or 3 cars and storage. The apartment has a new kitchen with the rest of the apartment being like new and meets the same standards as new apartments currently being built. The developer is renowned and has built high-quality homes in the area for 50 years. A lot has been invested in the property after...
